Dear Robert,

On behalf of Hayt, Hayt & Landau I would like to thank you and your team for your remarkable work in reducing our Telecom overhead as well as the substantial credits you were able to recover for us. What I found most impressive was that 18 months after your free analysis was completed, you called to notify me of an additional credit that was coming due.

I find your organization to be a refreshing alternative to most firms in the Telecom industry and would like to compliment you on the **professional, honest and reliable** manner in which CRC operates.

I will continue to refer your company and service to others, as I have in the past.

Best regards & good luck,

Hayt, Hayt & Landau
