Dear Robert,

I would like to take this opportunity to congratulate you on the extremely proficient manner in which you assisted Nafinsa Securities, Inc. in reducing our overall communication costs. In addition your unique suggestions on how to redesign our network in order to make it more efficient and cost effective are greatly appreciated.

As you are well aware dealing with NYNEX can be and is a frustrating and time consuming experience. Your firm has been the major factor in allowing us to get to a point where we can efficiently operate and in a remarkably more cost-effective manner.

With your expertise regarding the areas and personnel within NYNEX that "can get the job done" you have saved and will continue to save Nafinsa Securities, Inc. a considerable amount of our budget dollars. Through your contacts you were able to have \$36,000.00 in penalties waived \$18,000.00 in refunds and created an annual saving of \$31,000.00. We are very pleased with our decision to utilize the services of your firm and look forward to an ongoing relationship.

Sincerely,

John H. Gross
Director of Operations
